2011-2012 Alabama Division Leaders

Give me an **I**, give me an **A**, give me another **A**, give me a **P** what do you have ... IAAP!

Welcome to the year of "Making The Leap To Remarkable." It is truly an honor to work with you as we strive to make the Alabama Division the Division that is Remarkable.

There is a wealth of information and tools available to assist you in "Making The Leap To Remarkable" for your chapter or committee. You can find assistance at the IAAP Headquarters website ([iaap-hq.org](http://iaap-hq.org)), the Alabama Division website ([iaapalabama.org](http://iaapalabama.org)) and by contacting the Division Board of Directors (listed at left). Take some time to visit the websites and familiarize yourself with them. If you have any issues, questions or problems, together we can find an answer.

Communication is the key component in any organization. The Division Board needs to hear from you just as we are responsible to communicate openly and timely to our Chapter Presidents, Committee Chairs and Directors. We are relying on you to assist us with getting information out to the membership.

We look forward to working with all of you as we lead the Alabama Division. By embracing a remarkable and a winning attitude, together we will take IAAP to the next level and beyond, thus ensuring members and leaders will be leaving a *Legacy of Excellence, Achievement and Passion* for others to follow, and that will always keep IAAP remarkable.

Wishing you all the best.

*Jackie*
